▼ search_course_by_course.spec.js

Search Course by course - Add duplicate course	12.8s
search_course_by_course.spec.js:42	
✓ Search Course by course - Attempt to add search without adding course.	3.6s
search_course_by_course.spec.js:14	
✓ Search Course by course - Attempt to add a course with all empty fields.	3.8s
search_course_by_course.spec.js:19	
✓ Search Course by course - Attempt to add a course with only institution name	10.0s
search_course_by_course.spec.js:25	
✓ Search Course by course - Attempt to add a course without course number	9.6s
search_course_by_course.spec.js:34	
✓ Search Course by course - Remove a previously added course	13.9s
search_course_by_course.spec.js:53	
✓ Search Course by course - Add multiple courses and view the search result	22.6s
search_course_by_course.spec.js:69	
✓ Search Course by Course - single course with no filters.	9.0s
search_course_by_course.spec.js:83	

▼ upload_rules.spec.js

TC_05: Uploads rules add function with no errors	2.9m
upload_rules.spec.js:60	
✓ TC_01: Upload rule file with incorrect format(non CSV file)	9.9s
upload_rules.spec.js:27	
✓ TC_02: Upload rule file with spaces in the file name	9.2s
upload_rules.spec.js:34	
✓ TC_03: Attempt to press on submit without checking the acknowledgement checkbox	18.4s
upload_rules.spec.js:41	
✓ TC_04: Uploads a file and click cancel on the upload summary page	18.5s
upload_rules.spec.js:50	
✓ TC_06: Uploads rules add function with critical error "Missing required columns"	29.4s
upload_rules.spec.js:98	
✓ TC_08: Uploads rules update function with critical error "Invalid Institution ID"	28.8s
upload_rules.spec.js:151	
✓ TC_09: Uploads rules Replace function with critical error "MissingCourseSubject"	17.9s

upload_rules.spec.js:189

✓ institution_configurations.spec.js

✓ Navigate to institution configurations page

18.8s

institution_configurations.spec.js:17

✓ ipeds_page_filter.spec.js

✓ navigates to myWorkplace

7.9s

ipeds_page_filter.spec.js:25

✓ navigates to IPEDS

8.7s

ipeds_page_filter.spec.js:31

✓ filters the ipeds page

21.1s

ipeds_page_filter.spec.js:37

✓ partner_boost_async.spec.js

✓ Verifies that user can navigate to partner boost

9.2s

partner_boost_async.spec.js:19

✓ Verifies that user can select dropdowns in the partner boost request

12.1s

partner_boost_async.spec.js:25

✓ Verifies that submit button is disabled when mandatory fields are not filled for partner boost

14.3s

partner_boost_async.spec.js:31

✓ Verifies successful submission of async partner boost request

12.2s

partner_boost_async.spec.js:41

✓ search_explore_all_equivalency.spec.js

✓ Attempt to click on search without selecting from and to institution

2.6s

search_explore_all_equivalency.spec.js:13

✓ Attempt to click on search without selecting To institution

2.8s

search_explore_all_equivalency.spec.js:18

✓ Attempt to click on search without selecting from institution

4.1s

search_explore_all_equivalency.spec.js:24

✓ Attempt to click on 'Anywhere' for both search options

4.7s

search_explore_all_equivalency.spec.js:30

✓ Explore equivalencies with to 'Anywhere' search option

7.0s

search_explore_all_equivalency.spec.js:35

✓ Explore equivalencies with from 'Anywhere' search option

6.5s

search_explore_all_equivalency.spec.js:40
